

For Job Seekers

California Healthcare Career Center

Add More Power Behind Your Job Search

The California Healthcare Career Center (CHCC), powered by the Hospital Association of Southern California (HASC) and National Healthcare Career Network (NHCN), provides access to exciting openings with prestigious local and national health care employers.

Find the right opportunities faster.

Finding a job is about networking, and networking with health care association members — including hundreds of the state's elite institutions — is as good as it gets. CHCC connects you with great opportunities, all just a click away.

CHCC is exclusively for the health care industry, and combined with specific screening criteria that you define, you won't waste time reviewing postings that don't match your skill set.

The California Healthcare Career Center makes it easier to get where you are going:

- √ **FREE** resume posting and access to valuable information
- √ **Confidential Posting Options:** Control what information can be accessed and searched by employers.
- √ **Search Agents:** Set the criteria for your ideal position and receive daily updates when matching jobs are posted.
- √ **Simplicity:** Follow easy instructions, application storage and tracking—with no pop-ups.
- √ **Resources:** Enjoy a variety of career-related support tools & events.
